

Holbrook Primary School

Headteacher: Mr Roger Whitewick M.A. B.Ed (Hons)

7th September 2016

Dear Parents / Carers

This school year Holbrook will be celebrating and promoting happiness and wellbeing for our whole school community including pupils, families, staff and Governors. Recent research has shown the impact of childhood happiness on achievement, motivation and long term success.

At Holbrook we believe that 'to get good ideas we need lots of ideas'. We are keen to plan a year which contains a wide range of events and opportunities which will appeal to pupils and families.

Teachers have spent time thinking about what is already in place at Holbrook and coming up with ideas to provide even more happiness and enjoyment in school. We have also started to plan a number of opportunities for whole families to become involved in fun and engaging projects.

Children have been asked for their ideas about what makes them happy as well as their ideas to enrich provision this year.

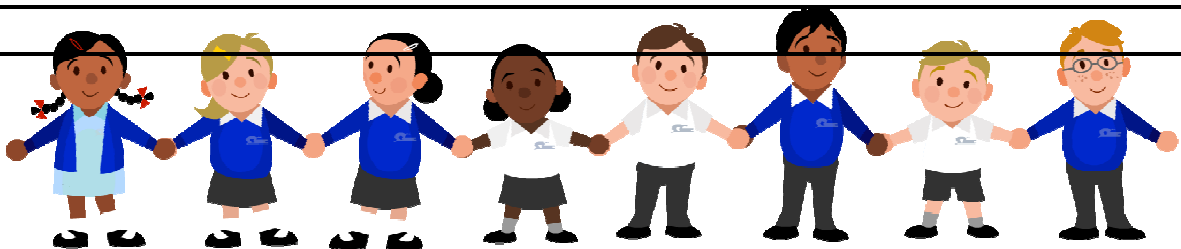

We would also appreciate your input into our happiness and wellbeing agenda for this year. If you have any ideas please complete the slip at the bottom of this letter and return it to the school office.

Many Thanks

Rose Nunn
Deputy Headteacher
