

Holbrook Primary School

Headteacher: Mr Roger Whitewick M.A. B.Ed (Hons)

19th September 2016

Dear Parents / Carers of pupils in Years 2-6

As you are probably aware times tables are a priority for Holbrook pupils. Being fluent and confident with times tables builds confidence and speed in Mathematics which can help with a wide range of concepts.

Holbrook pupils are receiving dedicated lessons, a range of resources, daily practice time and weekly testing. Children are encouraged to practice their skills outside of school using games, ICT and chanting. In order to support this we will be running a Times Tables club on Wednesdays 3:00 – 3:45pm throughout Block one of this school year. The club will start on Wednesday 21st September in the Kandinsky/Somerville mobile building. The final session will be held on Wednesday 11th November 2016.

This is a drop in club, pupils may attend as many times as they feel is necessary to support their times tables learning. Parents are also very welcome to attend the club with their child to use the resources and games together.

Many Thanks

Rose Nunn
Deputy Headteacher
