

Holbrook Primary School

Headteacher: Mr Roger Whitewick M.A. B.Ed (Hons)

21st February 2017

Dear Parents/Carers of Year 6 pupils

As you are aware we are rapidly approaching Year 6 SAT tests. The children are working hard in lessons to consolidate their Mathematics skills and prepare for the assessments. Teachers, Senior Leaders, HLTAs and LSAs are working as a large team providing pupils with additional help when they need it. We are also very pleased that the children are using the 10 minute practice books and revision guides at home. Any support and time you are able to give your child in the lead up to SATs will help them to feel confident.

In addition to this high level of learning support we will be offering a Mathematics revision club 3-3:45pm on Wednesdays from 1st March. A number of staff have volunteered to support this club which will allow pupils to work in small guided groups to review key areas of Mathematics. There will be opportunities for them to ask questions, gain support and take resources home.

Pupils may choose to attend every week or only when the subject is relevant to their needs. Pupils should not be made to attend the sessions. Any child who is disruptive or does not focus at a session will not be allowed to return due to the impact this has on other pupils.

Pupils will sign in at the beginning of the session and will sign out at the end. If your child usually walks home alone they will be permitted to do so at 3:45pm when the club finishes.

Each week we will review a different area of Mathematics as identified below:

Date	Content
01.03.17	Number & place value
08.03.17	Calculating session 1
15.03.17	Calculating session 2
22.03.17	Fractions, decimals and %

Date	Content
29.03.17	Measures
05.04.17	Geometry
26.04.17	Statistics
03.05.17	Pupils lead - last session!

We look forward to supporting your child through these last few weeks to ensure they achieve their full potential in the tests and beyond.

Regards

The Year 6 Learning Team
