To Parents and Carers of children in Kandinsky

Dear parents / carers,

As part of our "Predators" topic I have arranged to take the children to Avon Valley Wildlife Park in Bristol on **Monday 25th June.**

The cost of the trip will be **£4.40** per pupil. This is only the cost of the coach as we have free entry to the park in return for us agreeing to appear in their promotional videos and pictures. We need permission for the pupils to do this so please make sure the attached form is completed and returned to school. If we do not receive a signed permission form then I will assume you would prefer your child not to be in the promotional items and they will not be included. Each pupil has been subsidised by the PTA to make the cost as low as possible for you but trips like this cannot go ahead with adequate funds, so we ask that this is paid by **Monday 18th June (along with the permission forms).** If, for any reason, this causes an issue for you, please speak to your child's teacher or Miss White in the school office.

All children will be required to bring a packed lunch and plenty to drink (no sweets or fizzy drinks please) and they will need a bag in which to carry these items. If your child receives free school meals and you would like a packed lunch to be provided, or if you would like to purchase a packed lunch from the school kitchen, please let the school office know at least two weeks prior to the trip.

The children do not need to be in school uniform for this trip but they do need to be in something that is suitable for being outdoors all day. We would recommend that they bring sun cream and a hat to protect them from the sun.

The park is not usually open to the public on a Monday so we will have the whole place to ourselves! This means that, unfortunately, the gift shop will not be open but the children will be able to purchase ice creams if they wish. If you would like your child to do this, I recommend they bring a maximum amount of £3. They will need to look after this money themselves.

Thanks
